

Q06 – 914/4, 914/6 and Limited Production based on these series

1. The first advertisement for the not yet named “Porsche Club of America” appeared in the August 1955 issue of what magazine?

- a. Car and Driver
- b. Motor Trend
- c. Sports Cars Illustrated
- d. Road and Track

c. 2018 RPM, p.4

2. How many “charter members” were there in the newly formed PCA?

- a. 129
- b. 189
- c. 356
- d. 505

b. 2018 RPM, p.4

3. How many geographical “zones” make up the PCA?

- a. 16
- b. 14
- c. 13
- d. 4

b. 2017 RPM, p.7

4. Besides being the first President of PCA, Bill Sholar held what other position through 1962?

- a. Editor of Panorama
- b. Treasurer
- c. Executive Director
- d. Executive Secretary

d. 2017 RPM, p. 5

5. There are currently 24 unique special interest groups or “registries” for model-specific cars in PCA.

- a. True
- b. False

a. 2017 RPM, p.9

6. Where is the 2019 Parade planned to be held?

- a. Atlanta, GA
- b. Boca Raton, FL
- c. Asheville, NC
- d. Myrtle Beach, SC

b. 2017 RPM, p. 14

7. Ferdinand Porsche was born in a town in the Austrian empire. In what country is that town now?

- a. Austria
- b. Czech Republic
- c. Germany
- d. Switzerland

b. Panorama, December 2017, p. 28

8. What was the Porsche Model 111?
- a. First prototype 356
 - b. 4 Cam Engine designation
 - c. Tractor
 - d. Airplane

c. Panorama, October 2017, p.28

9. What was Porsche design number 528?
- a. First 356 Speedster design
 - b. 1500 Super Engine
 - c. Indy Car design
 - d. 356 Disc Brakes

b. Panorama, September 2017, p. 28

10. What critical part did Lemmerz provide for the 356 and early 911 models?
- a. Master Cylinders
 - b. Brakes
 - c. Wheels
 - d. Horns

c. Panorama, August 2017, p. 30

11. What famous Penske driver was the guest speaker at the 1974 Parade in Pocono, PA?
- a. David Hobbs
 - b. George Follmer
 - c. Mark Donohue
 - d. Pete Tremper

c. Panorama, July 2017, p. 26

12. How many siblings did Professor Ferdinand Porsche have?
- a. Six
 - b. Four
 - c. Two
 - d. None

b. Panorama, June 2017, p. 30

13. Dan Gurney drove for Porsche in 1961 and 1962, racing at Sebring, Targa Florio, Solitude and the French GP.
- a. True
 - b. False

a. Panorama, May 2017, p.26

14. What was the Porsche Tapiro?
- Italian designed concept car based on the 914-6
 - Japanese designed concept car based on the 911
 - 1973 RSR with a V-8 engine
 - Portion of the test track in Weissach

a. Panorama, April 2017, p. 34

15. Who designed the 2.0 liter flat six-cylinder engine that would power the 1964 model 911?
- Butzi Porsche
 - Tony Lapine
 - Norbert Singer
 - Hans Metzger

d. Panorama, March 2017, p. 26

16. Did Porsche ever build a 356 with unequal-width rear engine grilles/louvers?
- Yes
 - No

a. Panorama, February 2017, p. 20

17. What significant patent of Professor Porsche would have made him famous regardless of his other achievements?
- Disc Brakes
 - Power Steering
 - Turbo Charging
 - Torsion Bar Suspension

d. Panorama, January 2017, p. 20

18. Which of the following was the base price of a Boxster when it was released in 1997?
- \$29,750
 - \$39,980
 - \$45,595
 - \$49,095

b. Panorama, January, 2017, p. 39

19. The turbocharged flat-four engine in a 718 Boxster S uses VTG. VTG is an abbreviation for _____?
- Variable turbine geometry
 - Valve technology gauges
 - V-tank gap
 - Vertical turbo gears

a. Panorama, January, 2017, p. 110

20. Which of the following describes Andreas Schmidt?
- Porsche factory race driver

- b. Member of the Porsche board
- c. A really nice guy with a beard
- d. Director of quality at the Porsche plant in Leipzig

d. Christophorus #381, February 2017, p. 53

21. Which of the following national PCA positions was Dan Dazzo appointed to?

- a. Membership chair
- b. Technical Chair
- c. Safety Committee Chair
- d. Zone representative

c. Panorama, February 2017, p. 88

22. Which of the following describes the TAG-McLaren Formula One engine used by Porsche in 1987?

- a. 1.5 liter V6
- b. 2 liter in-line four
- c. 2.5 liter V10
- d. 3.4 liter flat six

a. Excellence #243, February 2017, p. 100

23. Which of the following is Ferdinand Piëch's family nickname (that he detested)?

- a. Burli
- b. Butzi
- c. Ferdi
- d. Picki

a. Excellence #244, April 2017, p. 86

24. "Gesetzloser" is a German term for which of the following?

- a. Overweight
- b. Last place in a race
- c. Loose suspension
- d. Outlaw

d. Panorama, March 2017, p. 40

25. Where does direct fuel injection (DFI) deliver fuel?

- a. Carburetor
- b. Combustion chamber of an engine
- c. Fuel pump
- d. Intake manifold

b. Panorama, April 2017, p. 118

26. Porsche Surface Coated Brake (PSCB) calipers use which of the following colors?

- a. Red
- b. White

- c. Yellow
- d. Black

b. Christophorus #384, May 2017, p. 71

27. Which of the following Porsche cars towed an Airbus 380 out of its hanger?

- a. Cayenne
- b. Cayman
- c. Macan
- d. Panamera

a. Panorama, June 2017, p. 48

28. Which of the following drivers helped Porsche win their first 24 hours of Le Mans race in 1970?

- a. Richard Attwood
- b. Steve Mc Queen
- c. Paul Newman
- d. Vic Elford

a. Panorama, June 2017, p. 81

29. Which of the following describes the “kick plate” at the Porsche Experience Center Los Angeles?

- a. Foot rest
- b. A place to take out frustrations
- c. The visitor parking area
- d. A metal slab that moves either left or right

d. Excellence #245, May 2017, p. 96

30. Italian coachbuilder Zagato made which of the following models based on Porsche production cars?

- a. 356 Carrera Abarth GTL coupe
- b. 911 Speedster
- c. 944 turbo targa
- d. 912 AWD coupe

a. Panorama, August 2017, p. 96

31. The 2018 700hp 911 GT2 RS (as shown in 2017) has a top speed (in MPH) of which of the following?

- a. 180
- b. 195
- c. 201
- d. 211

d. Panorama, August 2017, p. 22 (and Panorama, December 2017, p. 49)

32. The one-millionth 911 is painted in which of the following colors?

- a. Guards red
- b. Irish green
- c. Grand Prix white

d. Speed yellow

b. Christophorus #382, March 2017, p. 16 (and Excellence #250, December 2017, p. 45)

33. Early safety crash tests done by Porsche used which of the following techniques?

- a. A crane to hoist vehicles off the ground and then drop them
- b. Pushing a car over a cliff
- c. Driving one car into another one
- d. Pounding bumpers with large hammers

a. Panorama, September 2017, p. 88

34. Porsche announced it is pulling out of the World Endurance Championship LMP1 class in order to concentrate on which of the racing series below?

- a. NASCAR
- b. World Rally
- c. Formula E
- d. American Motorcyclist Association

c. Panorama, September 2017, p. 36

35. Which of the following cars beat the lap time of a 1987 944 Turbo at Virginia International Raceway in 2017 with both cars driven by David Donohue?

- a. Macan GTS
- b. 924 Turbo
- c. Boxster Spyder
- d. Panamera 4

a. Panorama, July 2017, p. 53

36. The 2017 911 RSR racing car has which of the following engine locations?

- a. Front
- b. Mid
- c. Directly over the rear axle
- d. Behind rear axle

b. Excellence #250, November 2017, p. 97

37. Porsche currently makes carbon fiber wheels for which of the following cars?

- a. 911 Turbo S Exclusive Series
- b. 918 Spyder
- c. Carrera GT
- d. 959 Sport

a. Panorama, October 2017, p. 110

38. The 2017 Porsche Club of America Parade was held in which of the following cities?

- a. Jay Peak, Vermont
- b. French Lick, Indiana

- c. Spokane, Washington
- d. Hershey, Pennsylvania

c. Panorama, October 2017, p. 45

39. The PCA Nominating Committee does which of the following?

- a. Identify Executive Council candidates
- b. Name national award winners
- c. Recognize region members for exemplary service
- d. Pick zone representatives

a. Panorama, November 2017, p. 122 (and PCA Bylaws)

40. In what year did the first International Race of Champions that featured Porsches occur?

- a. 1969
- b. 1973
- c. 1978
- d. 1982

b. Panorama, November 2017, p. 56

41. The German term “sondermodell” translates to which of the following in English?

- a. Loud car
- b. Special edition
- c. Super example
- d. Good fortune

b. Panorama, November 2017, p. 48

42. Which of the following Porsche CEOs is credited with saving the 911?

- a. Ernst Fuhrmann
- b. Matthias Müller
- c. Peter Schutz
- d. Wendelin Wiedeking

c. Panorama, December 2017, p. 90

43. The first PCA Treffen of 2018 was held in which of the following states?

- a. Missouri
- b. New Mexico
- c. Texas
- d. North Carolina

b. Panorama, December 2017, p. 110

44. Bosch mechanical fuel injection was introduced on the 911S and 911E models for 1971.

- a. True
- b. False

b. Excellence Was Expected (EWE), Vol 2, p. 534

45. Generally speaking, wider tires require suspension geometry that _____.
- a. Reduces camber change
 - b. Increases camber change
 - c. allows room for the wider tires
 - d. allows for faster tire changes

a. EWE Vol. 2, pg. 627

46. The 917's intricate space frame was welded of tubing made from _____.
- a. Magnesium
 - b. Aluminum
 - c. Chrome-moly
 - d. Unobtainium

b. EWE Vol. 2, p. 574

47. After some initial disappointments with the Porsche designed chassis for the Type 2708 Indy racer, Porsche chose to try an off-the-shelf chassis from _____.
- a. March
 - b. Lola
 - c. Lotus
 - d. Ferrari

a. EWE Vol. 3, pg. 1193

48. The original designation for the 911 was the 901, but Porsche found out that Fiat held a trademark in France on all 3 number car designations with a 0 in the middle and decided to change it.
- a. True
 - b. False

b. Excellence was Expected, 1st edition, p. 409, actually it was Peugeot

49. A major 911 clutch design change occurred in 1970 with the introduction of the " _____" clutch.
- a. pull
 - b. push
 - c. puck
 - d. exploding

a. Up Fixin der Porsche, Vol X, p. 39

50. Porsche was the first to put a roll bar on a production car.
- a. True
 - b. False

a. Porsche 911 Performance Handbook, 1st edition, p.9

The next 25 questions are unique to Quiz 6

51. The 914 used pop-up headlights because of U.S. headlight rules?

- a. True
- b. False

a. Porsche 914-914-6, Brian Long, p. 34

52. The engine for the 914 _____?

- a. was specially built by VW for this application
- b. was specially built by Porsche for this application
- c. used the existing VW 411 engine
- d. was loosely based on the Corvair design

c. Porsche 914-914-6, Brian Long, p. 33

53. Although the 914-6 was first sold in 1970, a 1969 911 T spec engine was used _____?

- a. because it was thought the chassis couldn't handle more power
- b. Using the current 911 T 2.2 engine would have lost the separation necessary between the two models
- c. there was a shortage of 2.2 T engines
- d. the French protested that it would then be faster than their Peugeot

b. Excellence was Expected (EWE), 2nd edition, p. 494

54. Since the 911 engine in the 914-6 is reversed from its normal orientation the result would have been 5 speeds in reverse and one forward. How was this accounted for?

- a. they reversed the engine rotation
- b. they moved the ring gear to the other side of the differential
- c. they reversed the shift linkage
- d. they mounted the transmission upside down

b. Porsche 914-914-6, Brian Long, p. 46

55. What did the 70-71 914-6 NOT come with as standard equipment?

- a. chrome bumpers
- b. an oil pressure gauge
- c. a hand throttle
- d. five bolt wheels

b. Porsche 914-914-6, Brian Long, p. 49

56. An outside fuel filler was originally designed for the 914 -914-6.

- a. True
- b. False

a. Porsche 914-914-6, Brian Long, p.41

57. In what year did the 914-4 get an adjustable passenger seat?

- a. 1970
- b. 1971
- c. 1972

d. wasn't that seat always adjustable ?

c. Porsche 914-914-6, Brian Long, p. 60

58. If a 914-914-6 were outfitted with the optional rear fog lamp it would have been installed _____?

- a. on the rear body panel next to the left side tail light
- b. on the rear bumper below the left side tail light
- c. on the rear valence below the left side tail light
- d. no such option existed

a. Porsche 914-914-6, Brian Long, p. 53

59. A right hand drive version of the 914 was also offered by the factory.

- a. True
- b. False

b. Porsche 914-914-6, Brian Long, p. 53

60. Which change did NOT occur in 1973?

- a. introduction of the 2.0 liter engine
- b. introduction of the Fuchs alloy wheel
- c. standard black painted bumpers
- d. shortened rear apron

d. Porsche 914-914-6, Brian Long, p. 65

61. Rick Mears drove a 914-6 to a first place in 1976 in what famous race?

- a. Sebring
- b. Rally Monte Carlo
- c. Pikes Peak Hillclimb
- d. Carrera Pan Americana

c. Porsche 914-914-6, Brian Long, p.122

62. A 914-6 was run at the 1970 LeMans. In what position did it finish?

- a. 20th overall and first in class
- b. failed to finish
- c. 6th overall and first in class
- d. disqualified on a technicality

c. Porsche 914-914-6, Brian Long, p. 93

63. Although the 916 never went into production eleven were built as prototypes. Which of the following is NOT true about those cars?

- a. either 2.4 'S' or 2.7 R S engines were used
- b. reinforced 901 transmissions were used
- c. all four wheels were 7" Fuchs
- d. the radio aerial was imbedded in the windshield

b. Porsche 914-914-6, Brian Long, p.129

64. What change did Porsche make in 1975 in order to solve a common complaint?

- a. They made the pedal spacing wider
- b. They installed hand throttles on the four cylinder cars
- c. The inside rear view mirror was made larger
- d. The fuel pump was relocated to the front trunk

d. The 914 and 914-6 Porsche, Brett Johnson, p. 33

65. In the event the hood cable should break emergency access was possible _____?

- a. by pulling an existing pull cable behind the bumper
- b. by removing the left headlight which then provided an access hole
- c. by removing the bumper and using a provided access hole
- d. by drilling a hole in the trunk floor

c. The 914 and 914-6 Porsche, Brett Johnson, p. 23

66. On a 914-6 when the engine is installed in the car, cylinder #1 is the front cylinder on the left side of the car.

- a. True
- b. False

b. Porsche 914-4 914-6 Handbook, Lash International, p. 99, actually it is the front right

67. The cooling fan on the four cylinder engine is driven _____?

- a. by a V-belt drive from the crank pulley
- b. by the crankshaft
- c. by a V-belt drive from the alternator
- d. by a bevel gear drive from the end of the crankshaft

b. Porsche 914-4 914-6 Handbook, Lash International, p. 120

68. On a 914-4 when the engine is installed in the car cylinder #1 is the rear cylinder on the left side of the car.

- a. True
- b. False

a. Porsche 914-4 914-6 Handbook, Lash International, p. 13

69. If the electric power to the headlight motors should fail the headlights could still be raised by _____?

- a. manually lifting the headlight assembly and inserting the blocking pins supplied in the tool kit
- b. turning a manual knob on the headlight motor
- c. manually lifting the light and attaching the linkage rod to a different built in support point
- d. using the supplied jumper wire to jump pins 97 and 40 of the relay as outlined in the owner's manual

b. Excellence Was Expected, Vol 2, p. 489

70. Which of the following is a TRUE statement?

- a. the 914 and 911 used the same front torsion bar size
- b. both the 914-4 and 914-6 engines used dry sump lubrication
- c. the 914 was the first use of coil springs in a production Porsche
- d. the 914 4 and 6 bodies were built by Karmann and painted and trimmed by Porsche

c. Excellence Was Expected, Vol. 2, p. 491

71. Which of the following statements about the factory built 914-6 GT cars is NOT true?
- a. 906 titanium rods were used in the engine
 - b. frame reinforcement plates were used around the rear frame rails
 - c. A 911 S braking system was used with alloy front calipers
 - d. twin ignition was used

a. Excellence Was Expected, Vol. 2, p. 515

72. A pair of special 914's were made for Ferdinand Piech and Ferry Porsche. Which of the following best describes these cars?
- a. 908 eight cylinder engines
 - b. external fuel fillers at right side of cowl
 - c. front mounted oil coolers
 - d. all of the above

d. Excellence Was Expected, Vol. 2, p. 510

73. The 1.8 liter engine was introduced in 1974. What were two of the changes associated with this model?
- a. a longer stroke and A.F.C. fuel injection
 - b. a larger cylinder bore and A.F.C. fuel injection
 - c. bigger bore and longer stroke
 - d. longer stroke and M.P.C. fuel injection

b. Excellence Was Expected, Vol. 2, p. 529

74. The last changes for the 914 series came in 1975 and 1976. Which of the following is NOT a change for those years?
- a. front and rear bumpers became large rubber coverings over a steel beam with collapsible bumper shocks
 - b. the model and engine size emblems on the tail panel were changed to black plastic
 - c. the 2.0 liter engine had to have an air pump to meet emissions
 - d. the exhaust system had to be altered to accommodate a catalytic converter in California.

b. Excellence Was Expected, Vol 2, p.531 & The 914-4 and 914-6, Brett Johnson, p. 48, black plastic started in 1974

75. 1973 was a year of many changes, which of the following was NOT a 1973 change?
- a. revised handbrake lever
 - b. the hubs and wheels were changed to hub-centric from the previous lug-centric
 - c. front and rear rubber bumper guards introduced to meet U.S.A. crash standards
 - d. front brake pad thickness was increased

c. Excellence Was Expected, Vol. 2, p. 527

Tie Breakers

76. In what year was the Porsche corporation officially registered with the German authorities?
- a. 1931
 - b. 1939
 - c. 1948

d. It was never actually “officially” registered

a. Excellence was Expected (EWE) -1st edition, p.15

77. Roughly how many 912s were made in the first full year of production?

- a. 1,000
- b. 3,000
- c. 9,000
- d. 12,000

c. EWE, 1st edition, p.417

78. Who is the editor of Panorama?

- a. Randy Leffingwell
- b. Rob Sass
- c. Pete Stout
- d. Betty Jo Turner

b. any Panorama from 2017 but how about December 2017, p.12

79. Through October of 2017, the Macan continues to lead Porsche in car sales for the year but what model is running in second place?

- a. Cayman
- b. Carrera
- c. Panamera
- d. Cayenne

d. Panorama, December 2017, p.22

80. The current Secretary of PCA calls what state home?

- a. Maryland
- b. Texas
- c. Florida
- d. Illinois

d. any Panorama from 2017 but how about December 2017, p.14
